

Queensmill College - News update March 2024

A huge thank you to **Dennis Wise**.

<https://dwcommunity.co.uk/>

Queensmill College are delighted to announce that we had the formal handover of the Trust minibus we applied for. The wonderful Dennis Wise attended to donate the minibus and had a good time with the students. Our minibus is the 22nd out of a target of 100 minibuses that Dennis is planning to donate.

We are incredibly grateful for Dennis's donation of the minibus which will enable students to access the community and go further afield. It will also enable those who find public transport more challenging to get out into the community safely.
