What exactly is a Supported Apprenticeship?

1. An 18 or 24 month apprenticeship within our Chelsea & Westminster Hospital.
2. Individuals can apply for an apprenticeship within our hospital, this can range from Clinical to Business level placements.
3. The hospital tailors the demands of the roles to ensure reasonable adjustments & appropriate job carving is implemented.
4. The individual will attend 3 days of in-work placements & 1 study day.
5. The training provider is Dynamic Training.
